

ALTERED

The Altered Collection

Welcome to an altered perspective. We've changed the space and redefined the room to give you an entirely different point of view - one where things aren't quite what they seem. Layer your curiosity with creativity to blur the line between what's real and what's surreal. This is Altered, a collection where manipulation takes left, right, and center stage - redefining how we see. Not just within your space, but all that surrounds it.

Design is discovered

The Altered collection has 4 different tile styles (Analog, Distort, Glitch and Manipulate) in sizes 22,90 x 91,44 cm and 45,72 x 91,44 cm. You can combine this collection with the Color form collection.
