

## Hand drawn

What happens when you put away the laptop and, instead, pick up paper and pen? We sketched a simple study hand-drawn lines that explored width, irregularity and imperfection. We experienced with line weight, abstract and analog proportion and tactile movements. Within the random lines, we found something unexpectedly beautiful.

## Design is imperfect

The Hand drawn collection has three different tile designs, all in sizes 45,72 cm x 91,44 cm. All made to combine together
