

PHASES

collection

Phases

Draw to the seamless migration of pattern and interplay of surfaces, our designers looked to fashion, architecture, sculpted art and textiles for inspiration. Colour is inherently natural, texture achieved.

Design, interrupted

Phases is available in tile size 61x61. When viewed from the side, shapes, deconstruct and pattern structure lengthens, enhancing subtle textural highlights. A rough textural overlay moves across dimensioned geometric pattern.

Design is deconstructed
